We Are Accepting New Patients

The physicians at Centennial Pulmonary and Sleep Specialists are dedicated to providing the best in pulmonary and sleep care. We also care for patients in the Intensive Care Unit at CHI Mercy Health.

At Centennial Pulmonary and Sleep Specialist's office, your physician may perform the following tests:

- oximetry– sleep and exertional
- spirometry

Contact us today for an appointment at 541.672.9515.

We look forward to meeting you!
